TYC -AFRICA 2023

IS HERE!!

Youth with a difference

4TH - 8TH DECEMBER

DEAR PARENTS, GUARDIANS, TYCERS.

Teenagers and Youth Club (TYC) has been impactful to Teenagers and Youths for over twenty years, imparting values and life treasures that have set them apart from their peers.

Every year, we focus on a prevalent theme in current challenges and life issues.

This year, the running theme is 'Stand Firm', with an emphasis on navigating the thrilling course of life fraught with complexities and uncertainty.

You are invited to share at the table of great minds, mentors, and peers alike to lay the foundation for success and steer a winning mentality.

#TYC-AFRICA CARES CAMPAIGN

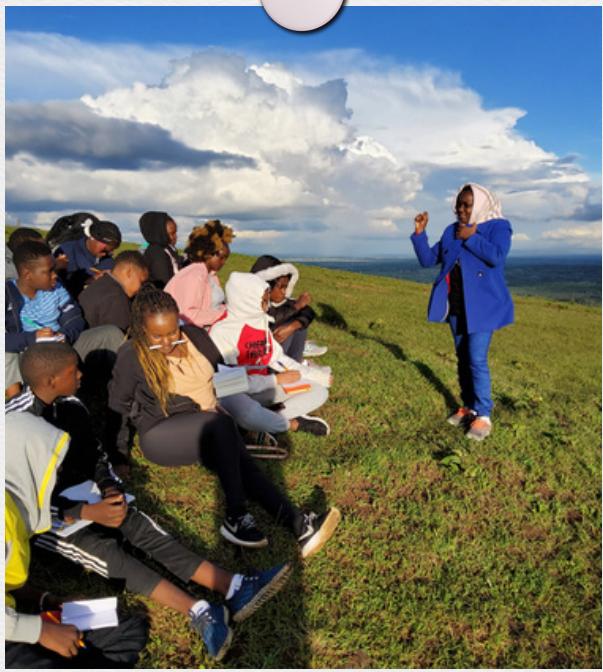

TYC-Africa sets apart a community service day dedicated to making a positive impact on the lives of those in need.

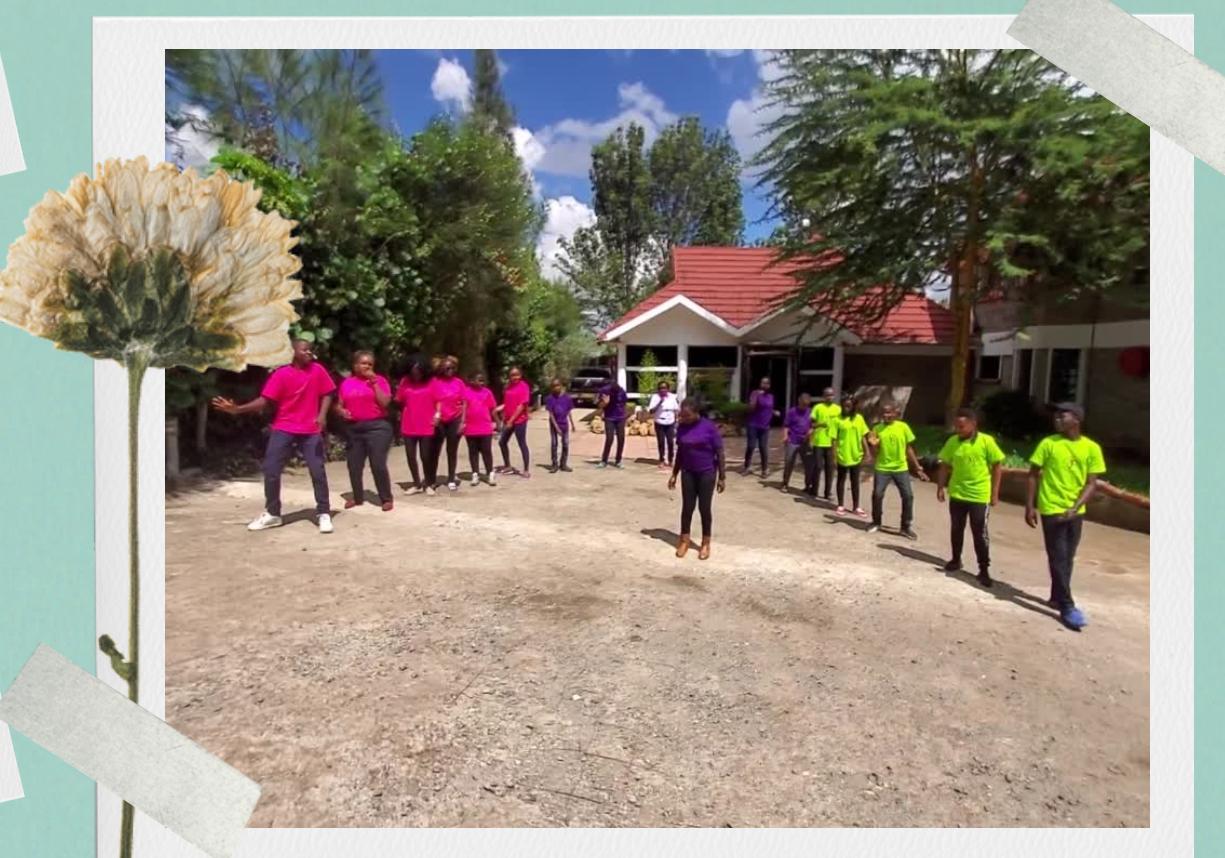

This is an opportune moment to instill the values of giving back to society and helping those in need.

We invite you to spread the love by donating:

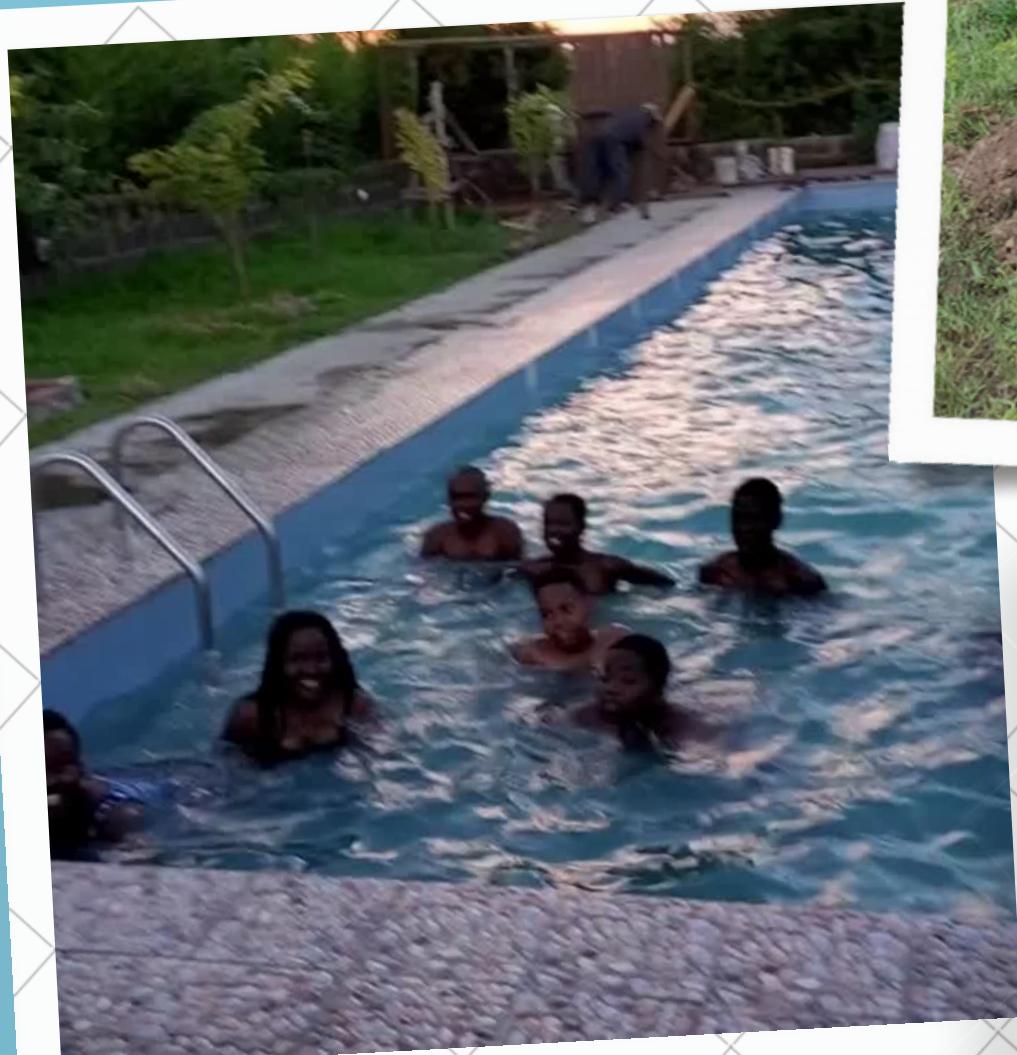

- **Clothes,**
- **Shoes,**
- **Stationery**
(exercise books, pencils, and pens),
- **Toiletries, tissue, sanitary towels, soap.**
